When ... Consider The number of ... uman being that die with Consu ntion every year, the importance of a medicine that will cure all pu onary affections that tend to this complaint, and even to arrest the destroyer after it has indicated its presence in the sysem, must be ailmitted to be beyond all estimate. This wonderful power is claimed to be possessed by Ailen's Lung Balsam.

in the heart for years and years

A man whose life is insured has something to live for He has a security in more than one sense. He can borrow money from those who have it to loan, upon security of this kind, for it's safe. Lands might deterioate in value, titles might prove terioate in value, titles might prove defective, and the investment he thought to be good, turn out to be indifferent or bad, but a life-policy in a staunch company will acver prove an unprofit die crycestinent.
